

Shangpa Kagyu Ngondro

through H. E. Kyabje Kalu Rinpoche

May 10 - 12, 2010

Kalu Rinpoche's previous incarnation was the retreat master of both retreat centers in Palpung in Tibet: of the Marpa Kagyu and Shangpa Kagyu lineage.

The second Kalu Rinpoche was recognized in 1992 by Chamgon Dorje Chang Tai Situ Rinpoche and H. H. Dalai Lama confirmed the recognition. Kyabje Kalu Rinpoche is the lineage holder of the glorious Shangpa Kagyu lineage.

This is Kyabje Kalu Rinpoche's first teaching tour in this present incarnation and we are very grateful Rinpoche will teach the Shangpa Ngondro in PYCL. It is Rinpoche's only visit to the entire German speaking area and countries.

These practices are the preliminaries on the itinerary of each Vajrayana practitioner on the path of Mahamudra. Rinpoche will teach a text which was composed by Chamgon Tai Situ Rinpoche in 2009.

Rinpoche's stay will be crowned by an empowerment in Dorje Sempa.
