8th
Tai Situ
Rinpoche

22/7/2013

APPOINTMENT:

Gelongma Lama Palmo has been studying Buddha Dharma in general for many years and practicing the lineage of Karma Kagyu under the Palpung Sherab Ling Monastic Seat. Lama Palmo also did three years retreat practice at Karma Ling USA and took full ordination of Gelongma from the Mahayana lineage.

For many years she has sincerely served the lineage with dedication by teaching the Dharma and establishing Palpung Buddhist Centers mainly in Austria and its branches.

Demonstrated by her sincere dedication and ability to serve the Buddha Dharma as per the lineage, she received from many masters, including myself. I therefore appoint her “Choeje Lama” of Palpung Yeshe Chokhor Ling Austria, Europe and branches of this center to teach and guide the people according to the lineage and take full responsibility to run these centers under the Palpung Monastic Seat.

Traditionally Lamas were sent from Palpung Monastic Seat to be in charge of a branch monastery for certain periods of time and if he or she gave outstanding service for Palpung Monastic Seat and its branch monastery, then he or she would be appointed Choeje Lama undertaking further responsibilities to serve the lineage of Palpung.

With my Sincere Prayers

The Twelfth Kenting Tai Situpa

The Supreme Head of Palpung Monastic Seat of Vajrayana Buddhism
